*Working Women's Wednesdays:

*from the Women's Resource Center
and Women Into Networking (WIN)*

*"It's good to have lunch with women that have more on their minds than what's for lunch."
- Dr. Johnnetta Cole,
speaking to the WWW group in June 2005*

Working Women's Wednesdays (WWW) is an exciting monthly luncheon series designed by the Women's Resource Center and Women Into Networking (WIN) to offer professional strategies to meet the needs of working women. Back for a third year by popular demand, WWW brings women together to hear outstanding speakers addressing today's issues and providing new insights for managing both professional and personal lives.

WWW creates a time for Alamance County women to network, an important investment for the future of your business or career.

Former WWW speakers include, to name a few, Alice Bordsen, N.C. House Representative; Sandra Hughes, WFMY—TV News Anchor; Sue Cole, President and Regional CEO of U.S. Trust; and Dr. Johnnetta Cole, President of Bennett College and Chair of the Board for United Way of America.
