## Elon Core Curriculum (56-60 sh)

### FIRST-YEAR FOUNDATIONS:

- COR 110 - Global Experience (4 s.h.)
- ENG 110 - Writing: Argument & Inquiry (4 s.h.)
- MTH 110 or 151 or 220 (4 s.h.)

### Experiential Learning Requirement (ELR – 2 units required):

Included in experiential learning are study abroad, research, service-learning, leadership, internships, (including co-ops, teaching, and practicum), or other courses or experiences with ELR designation.

### World Language Requirement:

Students must meet one of the following: (a) complete a language course numbered 122 or higher at Elon, or receive transfer or study abroad credit for the same; (b) place into a language course numbered 200 or above upon arriving at Elon, using a department of world languages approved placement instrument; (c) score a 4 or 5 on an AP language exam or similar exam. Each student must take the language placement test by October 1 of his or her first full year at Elon. Students are allowed two tries; the higher score is counted. That score stands and may not be repeated by later testing. Consideration for Phi Beta Kappa membership requires completions of one intermediate world language course, placement beyond that level or equivalent proficiency.
