A minor in French requires that students complete six courses (24 credit hours) beyond FRE 122 at Elon or abroad.

At least one course at the 300 level must be completed before FRE 350; FRE 350 is required. Students are strongly encouraged to study abroad in a Francophone country and may count two courses (8 credit hours) taken abroad toward the French minor. Students who study abroad for the minor are required to take WLC 301, 302, 303 – Preparing for and Reflecting on the Study Abroad Experience. This course also counts in the 24-credit breakdown.

Students may choose to complete a French minor entirely on campus. If so, they must take at least one course numbered above FRE 350.
