Fletcher Foundation (Raleigh, NC): The Fletcher Foundation is looking for a recent college graduate who aspires to be a leader in the NC social sector. Our first fellow will work on projects that support the organization’s goals to amplify our grantees’ voices in public spaces, which will include managing our regular podcast series, creating digital content about our partners’ work, and supporting our SpeakUp NC project. This person will also work closely with our small team on digital strategy, research, and planning. To learn more about this position, please visit the following link: ajf.org/fellowship-program.

Droga 5 (New York, NY): Droga5 is an advertising agency that is on the hunt for interns of a particular breed. We are not interested in seasonal manual labor for filing and copying. And while we do love our coffee, we’re pretty sure that we can get it ourselves. What we’re looking for are smart, self-motivated people: students who are already thinking about brands and culture in a more interesting way, who have a solid foundation in the advertising process and creative work, and who
have a lot to say, all the time. The Droga 5 internship program runs June 8th-August 14th. To learn more about the position or to apply, please visit the following link: http://www.d5testkitchen.com/.
