**HOT INTERNSHIPS!**  
**September 28, 2009**

**MTV Networks – Nashville, Channel CMT (Country Music Television)** is recruiting for several interns in various departments across the company for the spring, summer, and fall semesters. Internships at our location will be with cable channel, CMT (Country Music Television) or MTV Networks Shared and Strategic Services. CMT is owned and operated by Viacom, Incorporated, and is a 24-hour country music network. We offer hands-on opportunities in various departments of the company, and will consider applicants who are majoring in a field that is relevant to our listings such as television production, programming, communications, electronic media, public relations, music business and entertainment law. [http://www.mtvnetworkscareers.com/nashville-tn-internship](http://www.mtvnetworkscareers.com/nashville-tn-internship). Please note that the deadline to apply for our **Spring 2010** internship program is October 30, 2009, and for **Summer 2010** is February 28, 2010.

**The Politics & Journalism Semester** is now looking for applicants for its Winter/Spring 2010 Class that runs from February 1 to May 21, 2010. Applications will be accepted from interested student journalists (don't have to be journalism majors) who are juniors, seniors, graduate students and recent (within one or two years) graduates. Applications are due by Friday, November 6, but we hope to have the packets by **Friday, October 30**. This career-enhancing educational experience, which includes a **$3,000 living expense stipend** provided to each student chosen, can pay dividends in the job market. To apply and get more information go to [http://www.wcpj.org/application/poster.pdf](http://www.wcpj.org/application/poster.pdf)

**The Nashville Symphony** is looking for a communications intern to assist members of the department in spreading the word, compellingly and accurately, about upcoming Symphony offerings. This is accomplished by extensive media coverage, self-produced publications ranging from *InConcert*, the monthly program magazine, to season brochures and annual reports, and through our award-winning website, nashvillesymphony.org. All applications should be received by Friday, October 30 2009. For more information go to [http://www.nashvillesymphony.org/main.taf?p=2,5,2,6](http://www.nashvillesymphony.org/main.taf?p=2,5,2,6)

**American Songwriter Magazine** is in need of ambitious and energetic people to intern there. All internships are unpaid, and require 20-30 hours in the office per week. Interns aid in customer service, editorial, marketing, and street team effort. Please send resume and clips to *American Songwriter* magazine ATTN: Internships, 1303 16th Avenue S, 2nd Floor, Nashville, TN 37212 or call or email info@americansongwriter.com.

Interns at **Kartemquin Films** have the opportunity to see firsthand how social-issue documentaries are made. We strive to keep our interns busy and engaged with the work we do. Tasks vary depending on the films in production during a given term, and each intern experience is unique. One day an intern may transcribe a tape of an interview shot in Kenya, and the next assist on a shoot at a local school. [http://www.kartemquin.com/about/internships](http://www.kartemquin.com/about/internships)
KOCO-TV (Oklahoma City) recognizes that a good internship program can add practical experience to the education a student gains in college or graduate school. The Engineering internship program involves the participating student in the hands-on operation of equipment and the "real world" application of theory provided in university and vocational/technical education programs. The intern spends at least one week in each technical area of the department: Production, Master Control, Tape ENG Receive, ENG and SNG vehicles, and Technical Management. Lockheed Martin’s fantastic Leadership Development Programs (LDPs) are now taking applicants. These programs are designed to help participants develop a comprehensive toolkit of experience, skills and leadership needed to prepare and compete for future Lockheed Martin leadership positions in business and technical areas. Opportunities can include formal classroom training such as online learning, special job assignments, mentoring and/or coaching, on-the-job-training, and special task forces. Benefits such as tuition reimbursement encourage continuing education, especially in technical career fields. We also offer lots of internal career mobility across the breadth of our global presence. To learn more and apply go to [http://www.lockheedjobs.com/college_leadershipdev.asp](http://www.lockheedjobs.com/college_leadershipdev.asp)

The Latin Focus is a media and marketing company with a focus in the Latino market; and it is looking for students who are interested in media, marketing, journalism, graphic design, and publishing. The company owns and manages several publications and websites. At the Latin Focus, our goal is to give students hands-on experience within the world of media and marketing. Please send all resumes to kgiometti@thelatinfocus.com

WFMY NEWS 2 Sales Department Internship is designed for students to receive a thorough education in broadcast television sales and on-line sales. In addition, interns will be exposed to the many different facets of a multimedia business that relates to sales and the industry as a whole. (i.e. programming, commercial production, traffic, business, news and marketing.). Contact Bill Lancaster, WFMY News 2 General Sales Manager, blancaster@wfmy.com.
