All questions and inquiries should be directed to industryinternship@yahoo.com NO PHONE CALLS PLEASE. Thank you.

The NBC Universal internship program gives students real-world experience in the broadcasting/film industry and lets them become familiar with our organization and work style. Students are placed in television broadcast/film production areas, business operations and interactive positions related to their major and career goals. NBCU considers the use of interns as an important recruiting tool. The program allows us to identify high potential talent for future employment. If you would like to learn more about our internship program or know of a student who is interested, please visit www.nbunicareers.com and search under the “Internship Program” section. Resume files must be MS Word compatible. If interested, please see Mrs. Tonkins.

Pace Communications has an opportunity for an internship with its Legacy Publication division for the Winter Term and Spring Semester. This internship will involve updating a current travel guide. Journalism, communications, or English majors preferred. Must be organized, efficient, and have an eye for details. Work hours will be 10-15 hours per week. This is an unpaid/for credit Internship. Please send resumes to https://home.eease.com/recruit/?id=477536

The Boston Bruins Communications Internship is a position that fulfills a variety of roles within the Bruins Communications Department. Interns will gain experience working in the Public Relations, Media Relations, and Communications aspects of the department. This is a writing-intensive position as prospective candidates will publish stories on the Boston Bruins website and should possess strong writing backgrounds. Candidates must be organized, responsible, punctual and have flexible schedules to work some nights and all Bruins home games during the time of the internship. http://bruins.nhl.com/club/page.htm?bclid=19676
**MS Society** in Greensboro: Three special events internships (January start dates) are available (see EJN #1102, 1103, 1104). Selected interns will assist with planning and promoting fundraising events for the Central NC Chapter of the MS Society through print, email, marketing and media, as well as assist with event logistics. Qualifications include an interest in event planning and/or non-profit management. Strong verbal, written, organizational, and computer skills are necessary, as well as the ability to work with minimal supervision. Deadline is November 24. Please see the Elon Job Network.

**Interscope Records** is looking for interns. Interscope Records is a major US record label based in Santa Monica, California, and is a subsidiary of the Universal Music Group. All interns should have skills in digital responsibilities including: updating social network profiles / facebook pages and having a working knowledge of HTML. It would be best to apply the beginning of December for spring internships and the beginning of February for summer internships. Students should apply at [http://www.listown.com/engineering/la/200908/147146.htm](http://www.listown.com/engineering/la/200908/147146.htm).

**Universal Music Group** is looking for interns for a variety of its departments in the New York area. Interested in the music industry? What to learn more about the company? Then an internship is a great way to gain exposure. The internship program is designed to provide interested students with hands-on experience in the entertainment industry. Internships are unpaid, for college credit only. We offer internships in various departments including: Marketing, Publicity, Advertising, Radio Promotions, A&R, New Media, Sales, Human Resources, Production, Creative, Soundtracks, Film & TV, Business Development, Finance, Licensing, Publishing, IT/IS, International, Business & Legal etc. Again, internships are UNPAID and for college credit only.
