December 4, 2015

**MSLGroup (Various Locations, PAID)** MSLGroup is looking for smart, innovative, passionate interns to participate in their Summer Insiders Challenge internship program. Interns have the opportunity to work in a variety of sectors and represent some of the world’s most powerful brands within consumer, corporate, healthcare, technology, food and beverage, digital and public affairs industries. Must be a rising senior or upcoming graduate to apply. **Applications are due January 29.** Visit the company's careers page for more information and to apply. Also, see Mrs. Tonkins, if interested for alumni contacts.

**Buzzfeed (New York, NY)** Buzzfeed is looking for a video production intern in their New York office to assist with creating video content for the web and other digital platforms. Interns will be responsible for assisting with research and fact checking content used in news videos, handling video distribution across digital platforms and producing and editing videos using Adobe Premiere. Must have 1-2 years of experience creating and editing video content for the Internet, and have experience using DSLR cameras, lighting and sound equipment and Adobe video editing software. For more information and to apply, visit the company's careers page.

**VIF International (Chapel Hill, NC)** VIF International is looking for an advocacy-marketing intern for spring 2016. Interns will gain valuable knowledge of international education services and day-to-day operations while gathering hands-on PR communications experience. Primary responsibilities will include assisting in the management of VIF social media outlets, aiding in the creation and management of VIF’s advocacy platform and development of internal and external PR materials. If interested, please send cover letter and resume to Kate at kate.riley@vifprogram.com.

**MedThink Communications (Raleigh, NC)** MedThink Communications is accepting applications for their summer 2016 internship program in a variety of departments including new business, insights & analytics, creative and account services. Candidates must be proficient in Microsoft Office. Must be able to work full time for the entirety of the 12-week program. If interested, visit the company's internship page for more information and to apply.

**Center for International Environmental Law (Washington, DC)** The Center for International Environmental Law is looking for environmental communications interns. Interns will work to frame CIEL’s messages, develop and maintain a consistent organizational voice, manage and support engagement with both online and traditional media and grow the CIEL audience. Responsibilities will include drafting communications materials, conducting research, analyzing and tracking CIEL’s web presence and creating email campaigns. If interested, submit cover letter, resume and an example of recent work to Amanda at akistler@ciel.org.

**Environmental Protection Agency (Washington, DC)** The EPA is looking for science communications interns. Interns may be responsible for developing fact sheets, researching and writing articles, composing social media posts, attending events on The Hill, attending press conferences and assisting with media inquiries. For more information and to apply, please visit the organization’s career page.

**Sparks Marketing Group (Philadelphia, PA)** Sparks Marketing Group is looking for a summer 2016 events intern who is professional, ambitious and intelligent and brings a fresh perspective to the Sparks team. Interns
will assist assigned department with daily tasks, work with other interns on a long-term project and undertake ongoing projects related to the events team. For more information and to apply, visit the company’s internship page.

**Delta Sky Magazine (Minneapolis, MN)** Delta Sky Magazine is looking for online editorial and editorial interns for summer/fall 2016. The position will involve fact checking, researching and writing, and is a great opportunity for anyone interested in magazines and travel writing. Internships are approximately six months in length. **Applications are due March 15.** For more information and to apply, visit the company’s internship page.

**Scripps Network (New York, NY & Knoxville, TN)** Scripps Network is accepting applications for a variety of spring 2016 internship positions in both New York and Knoxville. Positions are available in digital, digital video, and content distribution/marketing for the Food Network among other channels. **All applications are due by December 19.** For more information and to apply, visit the company’s internship page.

**Rent the Runway (New York, NY)** Rent the Runway is accepting applications for their spring and summer 2016 internship program in various departments including marketing, social media, public relations, analytics and consumer insights. Interns will support departmental needs on a day to day basis, own individual projects, collaborate with teammates, assist with organization and execution of various projects and suggest new and innovative products, programs and ideas. For more information and to apply, visit the company’s internship page.

**Time Inc. (New York, NY)** Time Inc. is looking for summer 2016 interns in a variety of departments including public relations, video, advertising sales, editorial, research & insights and digital marketing. Interns may have the opportunity to work with a variety of publications including People, Time, Sports Illustrated and more. For more information and to apply, visit the company’s internship page.

**OTHER OPPORTUNITIES:** The **CBS-UNC Diversity Fellowship** program is accepting applications for their intensive, hands-on workshop led by professionals at WRAL-TV in Raleigh, NC and professionals at the UNC School of Journalism. The program will take place from March 16-20. During the workshop participants may produce reports and newscasts, create clips for their professional reel and make invaluable industry contacts. All applications are due by **December 11.** For more information and to apply, visit the program page.

**Weird Enough Productions**, a new media production company founded on Elon’s campus, is currently looking for producers to assist them in the production process of a series of short films entitled Shades and Hues: The 21st Century Black Experience. More information about the company can be found on their website, [www.weirdenoughtv.com](http://www.weirdenoughtv.com). If you are interested in working with them, please send your resume and availability for Winter Term 2016 to tweaver2@elon.edu.

The **School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.**
