

# ♥ SwampDogs Sweethearts ♥

The SwampDogs are forming a street team comprised of motivated bright young women interested in experience in public relations, marketing, media events or simply wanting community service hours. This team, the Swampdogs Sweethearts, will be the official SwampDogs promotional ambassadors for the ballpark and community.

# ♥ SwampDogs Sweethearts ♥

With such tremendous visibility, the Sweethearts will be as iconic as our players. The Sweethearts, with the SwampDogs mascots, will be attending local events like parades, movie premieres, grand openings, holiday events, little league games, autograph appearances, and more. The Sweethearts will make appearances through out the year to ensure the SwampDogs are always contributing to the community. During baseball games the Sweethearts will be helping at the front gate distributing giveaways, in the Kids Zone playing with children, tossing promotional items in the stands or assisting with contests on the field. Whether you can volunteer for only a few events or for the whole year we have something for everyone! Sweethearts who volunteer during our off season will have the opportunity to receive a paid position at the ballpark during the summer.

For more information or on how to join the SwampDogs Sweethearts please call Robyn @ 910-426-5900 or email [robyn@goswampdogs.com](mailto:robyn@goswampdogs.com)
