

Below is a list to get you started on pre-requisites for Dental School. It is important for you to look at schools and determine requirements because while the main requirements are common, some schools require slight variations. The American Dental Education Association <http://www.adea.org/> and [GoDental.org](http://GoDental.org) have great information about dentistry and you can find links to different programs. There is limited information on what most schools want, but this gives you an idea.

**Common Course Requirements:**

- 2 semesters of Biology w/ lab (*BIO 111/113 and BIO 245/246*)
- 2 semesters of General Chemistry w/ lab (*CHM 111 and CHM 112*)
