

Below is a list to get you started on pre-requisites for DPT graduate programs. It is important for you to look at schools and determine requirements because they are different across schools with some commonalities. PTCAS (<http://www.ptcas.org>) has a great resource for schools which use the common application, but not all schools are included. Elon's DPT program information is here (http://www.elon.edu/e-web/academics/health_sciences/).

Common Course Requirements:

- 2 semesters General Biology (w/ lab) (*BIO 111/113 and BIO 245/246*)
- 2 semesters General Chemistry (w/ lab)
- 1-2 semesters Physics (w/ lab)
- Human Anatomy (w/ lab)
- Human Physiology (w/ lab)
- Social/ Behavioral Sciences (usually 2 semesters of Psychology courses)
- Statistics
- Humanities/ English

Additional Course Requirements or Common Recommendations:

- Communications
- Ethics
- Nutrition
- Communication/ Speech
- Comparative Vertebrate Anatomy/Physiology
- Exercise Physiology/ Kinesiology
- Medical Terminology

Other Common Requirements:

- Graduate Record Examination (GRE) scores
- Recommendation letters (usually 3)
- Significant volunteer work in patient care
- Minimum GPA 3.0
