Department of Psychology Graduates

Based on nine-month post-graduation survey results

Employed: 50%
Accepted to Graduate School: 37%
Completing Service Work, Fellowships, or Traveling: 4%

*Note: There may be overlap with job, graduate school, and service work/fellowships/traveling, so adding the percentages may result in double counting.

In Their Own Words

"With the help of Career Services, I not only sharpened my resume and cover letter, but learned a great deal about how I could get started working in the field of psychology during my Elon undergraduate career. The individuals who work at Career Services are truly dedicated to helping Elon students find the right internship for them. Career Services gave me the necessary resources and support to land an internship at the Center for Creative Leadership this summer!"
