Course Expectations: Students should actively participate in Elon 101 activities. Some class activities may occur outside of the scheduled class time.

Course Learning Outcomes:
- Students should be able to articulate the purpose of the Elon Honor code and its significance to maintaining a vibrant community.
- Students should be able to communicate the basic fundamentals of the first-year core and general studies requirements.
- Students should be able to utilize basic advising planning tools.
- Students should be able to articulate the underlying importance of a basic liberal arts foundation to complement major requirements.
- Students should be able to identify basic campus resources to support their academic activities.
- Students should be able to locate and evaluate opportunities for campus-related involvement.
- Students should be able communicate with their academic advisor about preregistration, academic requirements, and social issues or concerns.

Grading and Absences: Students may earn a grade of “S” (Satisfactory) or “U” (Unsatisfactory) for Elon 101. A grade of “S” carries one hour of elective credit toward graduation but has no impact on student GPA. However, a grade of “U” affects the GPA just like an “F.” Students who acquire more than two absences will receive an “Unsatisfactory” grade for the class.

Mobile Phone Policy: Please turn your phone off and place it in the basket prior to the beginning of class.

Students with Disabilities: If you are a student with a documented disability who will require accommodations in this course, please register with Disabilities Services in the Duke Building, Room 108 (278-6500) for assistance in developing a plan to address your academic needs.
