**Baltimore, Maryland**

“Situated on the harbor near the Chesapeake, Baltimore is best known for its bountiful fresh crabs, scenic views and sparkling waterfront attractions. Visitors frequently flock to the city's Inner Harbor to see National Aquarium, the Baltimore Maritime Museum, the family-friendly Port Discovery museum and the Pride of Baltimore II. However, there's much more to the city than just these marine based attractions. Brimming with intellectual vigor and cultural refinement, Baltimore enriches the lives of tourists and locals with a wealth of museums, historic sites, educational institutions and more.”
