What is the Senior Class Gift?
The Senior Class gift allows graduating students the opportunity to invest in the future of Elon University by making a financial contribution.

All seniors are encouraged to give $20.10 to support the Class of 2010 Sustainability Research Grants. Sustainability Research Grants will be awarded to Elon students who want to explore and research sustainability initiatives. Just think...by making a gift you are not only helping Elon students, you are helping the surrounding community.

In appreciation of your support, all senior donors will be recognized in the commencement program.

Senior Class Gift Committee:
Alexa Brewer                      Christina Peterson
Daniel Harwell                     Jessica Sikking
Amanda Keller                      Avra Stackpole (SGA)
