I would like to personally invite you and your friends to the Matt Matheny Basketball Camp at Elon University.

At our camp, campers learn how to be well-rounded, team-oriented basketball players. The sessions offer intense, specialized basketball instruction with an emphasis on the fundamentals of basketball, including dribbling, shooting, rebounding and defense. Campers will participate in both individual and team

competition. All campers are grouped according to age and ability.

Our staff features Elon coaches, as well as experienced high school and college coaches from across the country, to provide both insight and training that will improve and develop your game as well as impact your life off the court.
