National Letter of Intent FAQ

Eligibility
Each prospective student-athlete (PSA) must have already been approved by the admissions department prior to receiving and signing a National Letter of Intent (NLI).

Delivery
The NLI cannot be hand delivered to a prospect. It is permissible for a PSA to pick up the NLI from campus.
The NLI may be delivered to a PSA by express mail, courier service (UPS, FedEx), regular mail, e-mail, or by fax.

Signing
It is impermissible for any in person, off campus contact with a PSA during a signing of a NLI or other commitment to attend.

Dead Period
There is a dead period from Monday until Thursday surrounding National Signing Day

Publicity
A release regarding a PSA’s commitment to attend can only occur after the PSA has signed a NLI. It is impermissible to purchase any commercial advertising (Print, media or billboard) to identify a PSA by name or picture.
