

Recruiting Logs and Countable Hour Forms

Just a reminder to please turn in your recruiting logs and countable hour forms to Catherine Walker in Koury 213. The due date for these documents is the first week of each month.

Books!

Book Returns for student-athletes will begin Friday, December 9th and will end at **5:00 pm**, December 14th. Student-athletes can bring their books to me to check off in room 213. Student-athletes who fail to return books will be charged the buyback rate and will lose their book privileges. If there are any questions, please see Catherine.

Noncoaching Athletics Department Staff Member with Sport-Specific Responsibilities Participating in Voluntary Athletics Activities with Student-Athletes

The committee determined that a noncoaching staff member (e.g., administrative assistant, director of operations) with sport-specific responsibilities may not participate with or observe student-athletes in the staff member's sport who are engaged in nonorganized voluntary athletically related activities (e.g., pick-up games).

Participation Lists

Participation lists from all fall sports are due to Catherine as soon as possible. These are the lists that show each student-athlete and each contest. If you have any questions, please see Catherine.

Official Visit Procedure

There has been some confusion on the official visit procedure. For official visits, Catherine needs to receive a transcript and test scores. Catherine will then give all the information and needed documents for Clay to approve. Once the official visit is over, A copy of the receipts need to go to Jeff Blythe, and the Student Host Instruction Form and Medical History Form, and the cover form is then returned to Catherine. If you have any questions, please see Catherine.
