Submission Guidelines for Short Articles

Short articles may come from any of the humanities departments including history, literature, philosophy, religion, anthropology, sociology, psychology, political science and economics.

Content
- Submissions should contain either empirical or theoretical concepts that synthesize ideas regarding sustainability or environmental awareness.

Format
- Submissions should be between 1000 and 2000 words or between 4 and 8 double spaced Microsoft Word™ pages.

Please send inquiries and interest notification to visionsmagazine@elon.edu and include the type of submission in the subject box. All submissions are due before the February deadline.
