If you have a recommendation for a specific project please contact probono@elon.edu

I understand that the Elon Pro Bono is a voluntary program that seeks to recognize students for their achievements in providing unpaid legal-related service work to the community. I acknowledge that, as a future lawyer, it is my responsibility to abide by the ethical standards of the legal profession.

I understand that I must log my pro bono hours with the Pro Bono Program in a timely manner to be eligible for recognition at yearly receptions and upon graduation.
