Student Authored Papers and Other Creative Works
Copyright Permission Form

US Copyright Law provides for copyright protection for any work by an author, including student authors. “Fair Use” allows the faculty member to place a student authored paper on course reserves for one semester as long as written permission has been obtained from the student. Subsequent use requires new permission.

I, _______________________________(print full name)
                                (print permanent STREET, CITY, STATE, ZIP address)
give permission to place copies of my work titled: _______________________________

_______________________________
onto library course reserves for one semester.
