## NORTH CAROLINA CAMPUS COMPACT 4th Annual Community Service & Service-Learning Directors Conference

**Welcome to the 2006  
Community Service & Service Learning Directors Conference!**

North Carolina Campus Compact welcomes you to Wake Forest University in Winston-Salem, NC; "The City of the Arts." This year's theme is **20/20 Visioning** to parallel national Campus Compact's 20th Anniversary Celebration theme.

We hope that this year's Conference will offer you the opportunity to network with your colleagues while engaging, through Open Space Technology, in deep and meaningful conversations about the current and future civic engagement work in our region. During this time together, we will also celebrate the great work that is taking place on many of our campuses through our AmeriCorps\*VISTA program. We will recognize one individual as the 2006 NCCC *Community Service/Service-Learning Professional of the Year* and honor John H. Barnhill, founding Executive Director of NCCC for the invaluable role he has played to establish and grow our state Compact.

We hope this conference will fuel the important goals you have on your campus and in your community.
