

## Planning the Vision for our Community Engagement

North Carolina | Campus Compact

1. What are the top three general (institution-wide) strategic goals or priorities for your campus?
2. In what ways might community engagement be strategically important to realizing those goals or priorities?
3. In that context, what do you see as your most important campus ***strengths and improvement needs*** regarding community engagement?
4. What does your campus hope to ***gain*** through membership in NC Campus Compact?
5. What are exceptional ***resources or skills*** (e.g., media services, faculty expertise, an exemplary student project, assessment or evaluation tools, etc.) on your campus that could be of benefit to other NC Campus Compact campuses?

6. As my next step, I plan to do the following in order to lay a stronger foundation for community engagement on our campus:

7. In order to accomplish this goal, I will seek support from the following people:

8. I will also need to seek these resources (information, expertise, financial, people, etc):

9. The outcome of pursuing these steps will be:

10. I will celebrate achievements of these outcomes in this way:
