Step 1 - Proposal for New Student Organization

Students wishing to form a new student organization at Elon should complete this form and turn it in to Student Involvement in Moseley 207. If you want to form an honorary organization designed to recognize student achievement (e.g., induction ceremony, normally lacks the social activities of a regular student organization), then you should fill out the alternative proposal form designed for honorary student organizations.

Date ______________

Name of proposed student organization

__________________________________________________________

Contact information for primary student leader

Name ___________________________________________ Datatel# ________________
Email _____________________________ Phone ___________________
Campus Box __________

Please list contact information for other primary student leaders on a separate page or on the back of this application.

Questions

1. What is the purpose of the proposed organization?

2. How is the group unique and different from existing organizations?

3. What needs will this group meet that are not currently being met through existing student organizations and campus programs?

4. Please describe the types of events, programs, or activities this organization plans to host to fulfill its mission. How do the student leaders plan to use SGA funding?

5. Will your group be affiliated with a national organization? If so, a copy of their bylaws must be submitted with this application. (We want to make sure their mission, values and policies are compatible with the mission, values, and policies of Elon University.)

6. Please describe the general membership or criteria for membership.
