Are you READY to STEP up?

The Elon Challenge is ready to help your organization rise to the top!

Going out to the Challenge Course can help your group work on many skills and issues such as:
- Communication
- Teamwork
- Conflict Resolution
- Creative Thinking
- Time Management
- Developing Trust
- Using Resources
- Creating Bonds

The Challenge Course is also a ton of fun and gets your group away from distractions and allows them to focus on your goals.

We custom design our programs to meet your needs and the Challenge Course staff is more than willing to meet and talk with you about your group. We can also combine your trip to the course with aid from Consulting!

You can get the process started by picking up a course request form at the Center for Leadership and Organization Development in Moseley 224.

We hope to see you on the COURSE!
