

# ELON UNIVERSITY

Date: \_\_\_\_\_ 20\_\_\_\_

To: \_\_\_\_\_ (name), the provider of Medical or  
Psychological Services for \_\_\_\_\_ (students name):

The above named student is required to provide a current evaluation by a qualified clinical provider attesting to his/her receipt of medical and/or psychological services, emotional and physical stability, and appropriateness for returning to campus in a rigorous academic setting.

All students returning from a Medical Leave of Absence must provide adequate documentation of progress and a completed continuity of care plan prior to a decision being made about readmission to the University. Students returning from a Medical leave of Absence will be required to complete a Return to Campus Agreement which outlines their willingness to comply with continuity of care plans. Requests for accommodations based on a disability must be requested directly by the student to Susan Wise in the Office of Disability Services.

Please use the enclosed form to complete your assessment, and to make recommendations for the follow-up care and treatment of this student should he or she return to Elon. ***Please note continuity of care plans must be arranged with an independent provider in the Elon area.*** Please return as soon as possible as this student's ability to matriculate at Elon is contingent on receipt of this information.
