Sorority Mixer Programming Report

In ordered to foster a community feel and promote growth within our Panhellenic Council we are encouraging each sorority to participate in at least one sorority mixer each semester. You may choose any area (Risk Management, Membership development, Academic etc) for your mixer or venture outside (all events must be alcohol-free). Sorority mixers will be counted towards chapter programming events. Please contact the Panhellenic President with any questions that you may have.

A verification form must be submitted no later than 3 weeks after the mixer is hosted. Please place all forms in the PHC box in the Greek Life office.
