Come discover The Lodge at Elon!

Perched on a hill within the secluded Elon Forest, about one-half mile down Haggard Avenue from main campus, rests the Elon Lodge. The rustic building is the perfect setting for your next informal event. The large meeting room, featuring a stone fireplace, tables and chairs, is connected to a small kitchen containing an electric stove and sink, with restrooms at the opposite end of the building.

To the front and left of the Lodge, guests can reserve the Picnic Shelter which also features a fireplace and electricity, as well as tables and chairs. And a distinct path by the bell in the front lawn leads to the Fire Circle for groups who want to enjoy a time of reflection.
