Dear Elon Transfer Student!

My name is Avery Steadman and I am the current Student Body President. Congratulations on your acceptance and decision to attend Elon! This coming August, you will be walking the beautiful bricks of Elon with me and thousands of other students and will have the opportunity to become involved in many of the hundreds of organizations that Elon has to offer.

I vividly remember my first few weeks on campus. It was filled with excitement, anxiousness, and a strong desire to get involved and meet new people. I recall hearing the buzz about running for the Student Government Association and being curious, but hesitant to join because I hadn’t spent much time with my high school’s student government. Thankfully, I took a chance and decided to run against the 30 or so other students for a first year class position on the At-Large Council. It has been one of the best decisions of my Elon career, and has led to many life-changing experiences.

I would personally like to extend you an invitation to run for a position as an officer or senator for the Class of 2019. The positions available are President, Vice President, Secretary, Treasurer, and three (3) Senator Positions. While no prior student government experience is necessary, candidates should be dedicated and committed individuals with an interest to make a positive impact on Elon’s Campus. If you are interested, please email our Elections Co-Chair, Robert Danis (rdanis@elon.edu). An Elections Packet will be emailed to you and paper copy will be sent to your address. Completed Elections Packet and petition of support for your candidacy will be due to the SGA Office, located on the second floor of the Moseley Center, on Wednesday, September 2nd at 5pm.

On behalf of the current Elon Student Body and Student Government Association, we hope you are as excited to be part of our community as we are to have you join us! Please feel free to drop by the SGA Office, Moseley 213, at any time – we would LOVE to meet you!

Best wishes,

Avery Robin Steadman
Student Body President
Finance Major | Class of 2016
