Elon University
Vehicle Registration Information—2014/2015

Freshman may register on-line after July 15, 2014, when housing arrangements have been assigned by Residence Life. Go to: www.elon.edu/parking to register your vehicle, see Parking Rules and Regulations.

NOTE—You may register your vehicle on-line, mail in the form (on the back) or when you come to campus. Parking Permits will not be mailed to you; permits must be picked up at the Oaks Commons, Rm. 106 prior to the first day of classes, August 26, 2014. After that day, permits may be picked up at Campus Safety & Police, which is located in the Oaks Commons building.

The operation of motor vehicles on the Elon campus is a privilege that should not be abused. Students who wish to operate vehicles on campus need to know the rules and regulations of parking. Parking will be in great demand and no one can be guaranteed a parking space. Students should also know the University does not assume any responsibility for a vehicle parked on campus. Vehicles may only be parked in areas designated by the registration permit you receive (i.e. DC-Danieley Center, KB-Colonnades, etc.). Be sure to check online regarding the locations you may park to avoid a ticket/tow.

All new students are required to attend one session of “Cars & Campus Safety: An Orientation.” It will be presented four times during orientation weekend. You will find the times and location in your orientation packet when you arrive. When you have completed the 1-hour session, you will receive a verification parking booklet that you must show when picking up your parking permit.

The following regulations apply to all vehicles operated on campus.

1. REGISTRATION: Students MUST register all motor vehicles with the Traffic Office at the opening of each school year, or prior to the first day of classes. Student cars will be towed from Faculty/Staff parking areas, year round!! If the tow truck has arrived on the scene, the owner is responsible for paying the fine and tow fee in the Traffic Office, 416 N. Williamson Ave. (Oaks Commons) prior to picking up the vehicle.
