

### Off-Campus Apartment Information

The listings contained in this handout are provided as a service and **are not endorsed by Elon University**. The facilities advertised have not been inspected by the University. Those seeking off-campus living accommodations are responsible for inspecting rental property to determine whether it meets their needs. Before signing a lease, we strongly encourage students to: interview landlords, inspect facilities and talk with students who have lived in these complexes. \*\*Freshman and sophomores must go through the appeals process to live off-campus.
