What is Pre-SERVE?

During the week of Pre-SERVE, we will work with the Habitat for Humanity affiliate of Alamance County and other local agencies, such as the Boys and Girls Club.

Habitat for Humanity is a non-profit organization that builds simple decent housing in partnership with families in need. Our work will help to eliminate inadequate housing for local families.

The Boys and Girls club is committed to creating a safe and positive space for young boys and girls.

Join us for this one-week service experience and make a difference!

Present

Pre-SERVE

July 9 - 15, 2006
**Who can do Pre-SERVE?**

Pre-SERVE is a summer volunteer program offered to incoming Elon students by the Kernodle Center for Service Learning.

**Why do Pre-SERVE?**

Meet other incoming Elon students who share an enthusiasm for service! You will spend one week living on campus and working within the Burlington community. Build a home with Habitat, play with youth in a summer day camp, and connect with older adults at an assisted living facility. You learn about the community you will be a part of for the next four years.

---

**Do I have to know how to build a house for Pre-SERVE?**

All you need for this program is a willingness to come to Elon for the week and serve others while having fun.

**No building experience is necessary.**

---

“I gained a lot from this experience. A feeling that I helped somebody out in the Elon community and met a great group of fellow incoming first-years.”

- 2004 Participant -

---

**How do I sign up for Pre-SERVE?**

The $200 per person program fee will cover food, local transportation and activities for the week. Send the Summer Experiences registration form and a $100 non-refundable deposit to:

*Elon University*

*Kernodle Center for Service Learning*

*2999 Campus Box*

*Elon, NC 27244*

All deposits received after the program is full will be returned. If you are unable to participate, the Kernodle Center offers many other opportunities for you to volunteer during your time at Elon.
