*“Remembrances of the sights and sounds and even scents of places stir us deeply. This book captures images of a place we love, but I hope it will spur even more important remembrances of the people who were important to you during your time at Elon ...”*

— From the foreword,  
"Brushstrokes in Maroon and Gold,"  
by President Leo M. Lambert

# ELON

## Under the Oaks

The Elon community and the timeless beauty of the campus are celebrated in an exquisite new book titled *ELON Under the Oaks*. This limited edition hard-cover book includes 137 color photographs that chronicle life on the Elon campus, from move-in day and fall colors through the beauty of spring and Commencement.
