WILL YOU SWING ONE?

Here’s a chance to do more than remember your service days while you were at Elon.

WE’LL PROVIDE THE HAMMERS

ELON UNIVERSITY
Young Alumni Service Trip
DO YOU MISS YOUR SERVICE DAYS AT ELON?

Do you wish you could reconnect with your fellow young alums and favorite professors while making a difference in the community? Now you can with Elon’s new young alumni travel program.

For our first trip, you will join students, faculty and staff on Elon’s Hurricane Katrina relief trip, May 23-27, 2008. With members of Elon’s Kernodle Center for Service Learning, you will help rebuild the community of Bay St. Louis, Miss. This is a great opportunity to give back to a community that is still suffering, more than two years after one of the nation’s most devastating hurricanes.
