

ELON UNIVERSITY

Student Achievement and Success 2017

To fulfill its mission, Elon University monitors student achievement and success in multiple ways during the time students are enrolled and once they have graduated. Examples of Elon’s goals for student achievement and the success of students in achieving those goals are provided below. These include first- to second-year retention, persistence to degree (graduation rate), participation in selected high impact practices, outcomes for licensing examinations, and students’ success in securing jobs or continuing their education after graduation. To benchmark student success in achieving the goals, Elon University uses information from the sources identified below.

Retention from first- to second-year

Goal: Elon’s first- to second-year retention will exceed the national average retention for selective four-year private colleges and universities as reported by [ACT](#).

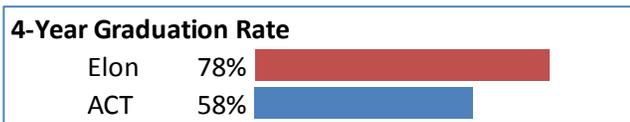

Elon: 2016-17 entering first-year students
ACT: 2017 National Collegiate Retention and Persistence to Degree Rates

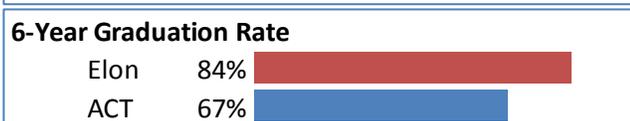

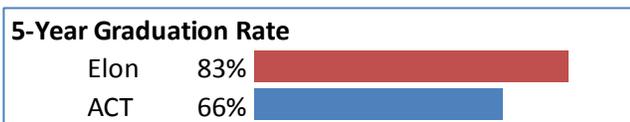

Historical information can be found in the [Elon University Fact Book](#).

Persistence to degree (graduation rate)

Goal: Elon’s four, five, and six year graduation rates will exceed the national average for selective four-year private colleges and universities as reported by [ACT](#).

Elon: 2011-12 entering first-year students
ACT: 2017 National Collegiate Retention and Persistence to Degree Rates

High Impact Educational Experiences

Consistent with the Elon University Mission Statement to provide a dynamic and challenging undergraduate curriculum, integrate learning across disciplines, put knowledge into practice, prepare students to be global citizens, and to foster an ethic of service, Elon University strives to provide all students with access to high impact practices as articulated by Association for American Colleges and Universities (AAC&U). [Click here](#) for more information about high impact practices and the educational benefits for students engaging in these experiences.

Goal: Elon seniors will have engaged in the following high impact practices at rates higher than national averages as indexed by responses to the [National Survey of Student Engagement](#) (NSSE 2016).

*Indicates that the high impact practice is one of the Elon Experiences.

Elon Experiences

Elon University tracks student participation in each of the five Elon Experiences (Global Engagement, Service, Internship, Leadership, and Research). [Click here](#) for additional information regarding the Elon Experiences. Although no benchmarks comparable to Elon's internal data are available for participation in these experiences, participation is reviewed each year for bachelor's degree recipients. Data for 2017 graduates is provided below.

| Experience | Specifics of the Experience | Percentage of 2017 graduates participating in the experience |
|-------------------|---|--|
| Global Engagement | Study Abroad | 79% |

Other High Impact Practices (Comparative data is not available.)

Writing

Elon University has embarked on an ambitious plan to make writing a signature experience of an Elon education. The [Writing Excellence Initiative](#) was developed as the institution's quality enhancement plan for Elon's 2013 SACS-COC reaffirmation.

Additional Recognition for High Impact Practices

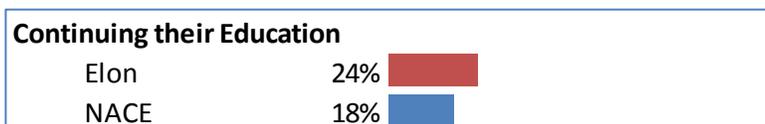

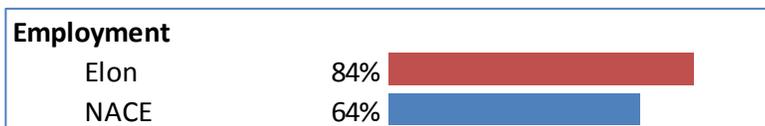

Elon University has been recognized by 2018 [U.S. News & World Report](#) for **all 8** high-impact educational programs in "Academic Programs to Look For." Based on a survey of higher education leaders across the country, Elon is noted for excellence in **study abroad, internships, service learning, undergraduate research, learning communities, first-year experiences, senior capstones, and writing in the disciplines.**

The Institute of International Education's Open Doors report ranks Elon University **#1** for masters-level universities for the total number of students who **studied overseas**. Elon has been the top ranked masters-level institution for several years.

Elon University has been named to the Presidential Honor Role for **Service** by the Federal Corporation for National & Community Service every year since 2006.

Post-Graduate Employment and Graduate/Professional Education (2017 Graduates)

Goal: Within one year of graduation, Elon graduates will have secured employment or admission to graduate or professional school at rates that meet or exceed the averages reported by the [National Association of Colleges and Employers](#) First Destination report.

Graduates may be both employed and continuing their education. When graduates are counted only once, **95%** of students are employed, have been accepted to graduate or professional school, are completing a post-graduate internship/fellowship, or are working for a service organization (e.g., Peace Corps, Teach for America). The survey response rate was **91%**.

More detailed and historical information is provided in the [First Destination Reports](#) produced by Elon University's Student Professional Development Center.

Additional indicators of post-graduate success

Elon University ranked **#4** on the annual list of U.S. master's-level institutions whose graduates received Fulbright awards for 2017-2018.

93% of 2017 graduates who are employed report that the position is related to their career goal.
