**Notes on minors and double majors:**

Students majoring in Entrepreneurship, Finance, International Business, Management, Marketing or Accounting are not allowed to declare a minor in Business Administration.

For those students double majoring in ACC and one of the BSBA majors, they must take BUS 326 with the one exception of a double major in ACC and FIN.

For students double majoring in two BSBA majors, a course that is eligible to count for two majors can only count towards one. For example, MGT 423 can count towards the MGT major and the ENT major. If a student is double majoring in MGT and ENT and takes MGT 423, this course can count toward the MGT or ENT major, but not both. However, we do allow a student to double count a course in BSBA major and a minor. For example, a student majoring in MGT and minoring in ENT can have MGT 423 count for both the major and the minor.
