Thank you for your interest in participating in the Wilderness First Aid Course hosted by Elon University Campus Recreation. We are pleased to be affiliated with Landmark Learning, Inc. and serve as a resource to you for your training needs.

Course Details

Course Title: Wilderness First Aid (WFA)
Course Dates: Saturday Nov. 14-Sunday Nov. 15
Course Fees:
- $160 Early Bird Rate: On or Before September 18th 2015
- $175 Regular Rate: After September 18th 2015

Course Description: The Wilderness First Aid (WFA) course will help you prepare for the unexpected. This fast paced, hands-on training is designed to meet the needs of trip leaders, camp staff, outdoor enthusiasts and individuals working in remote locations. It will introduce you to caring for people who become ill or injured far from definitive medical care. Classroom lectures and demonstrations are combined with realistic scenarios where mock patients will challenge you to integrate your learning. At the end of the course, you’ll have the knowledge, skills and ability to make sound decisions in emergency situations. Taught by seasoned instructors in a two or two and a half day format, most WFA courses are held on a weekend. Learning takes place both in the classroom and in outdoor settings regardless of weather conditions. Come prepared for wet, muddy, cold or hot environments.
