Rho Lambda was founded at the University of Miami as a local, Panhellenic Leadership Society in 1962. The Greek letters Rho Lambda stand for Panhellenic Leadership, respectively. Although membership was originally intended for women whose organizations belonged to campus Panhellenics, any sorority woman is now eligible for membership as long as she meets the membership selection criteria.

The purpose of Rho Lambda is to honor those women within the sorority community who have exhibited the highest qualities of leadership and service to their Greek community and their sorority. They are women who have furthered the ideals and principles of the Greek community throughout their years of sorority affiliation.

**Membership Requirements:**

Women must be nominated by their chapter membership.
