Headlines we'd like to see in 2020

THIS YEAR MARKS THE HALFWAY POINT for the decade-long Elon Commitment strategic plan, an opportunity to take stock of our progress and determine the university's priorities for the next five years. How will we have advanced Elon as a premier national university? Elon is a place where vision comes to fruition because of tenacity, hard work, dedication and teamwork, but mostly because so many smart

and caring people have formed such an authentic and innovative community dedicated to learning and personal growth. Let us continue, together, the important and noble work of building a great university. ✦
