*The students top-to-bottom were some of the best I have ever had the pleasure of interviewing. When I was ranking the students, I found it quite difficult to differentiate between ‘best.’ I think that this speaks volumes to Elon University and the job that each of you and the students have done to prepare for interviews.*

“Connect with Career Services sooner rather than later. There is no better way to get a jump start on planning for and determining your career path, even if it’s only to get help creating your resume for the first time.”
Phoebe Hyde, Class of 2013
