As part of Friends & Family Day, be on the lookout for our annual silent auction! The auction will have a wide variety of items to bid on, including gift certificates to favorite local restaurants, events, activities in the Greensboro area, and hand-crafted design pieces from local artists. Proceeds will be used to fund professional development opportunities for current students. For example, individual students have received support for participation in professional conferences and service opportunities. If you would like to make a donation to the silent auction, please contact Gwendolyn Lewis at glewis5@elon.edu or call (336) 279-9277.

Greetings Friends and Family!

As the organizing committee, we are pleased to extend this invitation to join us for our 7th Annual Friends & Family Day on October 25, 2014!

You’ve seen all the legal movies and television shows—but how do they compare with law school? Friends & Family Day is an opportunity to experience what life is like for your family member or friend who is a law student at Elon.

During Friends & Family Day, you will have the opportunity to learn about the programs, curricula, activities, and professional development opportunities available to Elon students as they prepare for life in the legal profession. You will also meet some of our distinguished faculty members and explore cutting-edge legal issues, while leaving plenty of time to spend with your favorite law student.

The fall is a wonderful time to visit the Piedmont area. We hope you will consider joining our celebration.

Sincerely,

Friends and Family Day Committee
