**Self-guided walking tour** A tour of Elon’s main campus.

**START HERE**

**Inman Admissions Welcome Center**

The Inman Admissions Welcome Center is Elon’s home for prospective students and families. The center includes offices for undergraduate and graduate admissions and financial planning.

**Belk Library/Koenigsberger Learning Center**

Located in the heart of campus, Belk Library/Koenigsberger Learning Center houses the Library Center for Writing Excellence, Tutoring, Advising, Disabilities Resources, and Media Services.

**Moseley Center**

Moseley Center is a hub of campus life, housing the Student Professional Development Center, student organizations, administrative and student life offices.

**Lakeside Dining Hall**

A two-story dining location with three central culinary stations, including one with a weekly international theme.

**Center for the Arts**

The Department of Performing Arts is housed here. It includes the 575-seat McCurry Theatre, 125-seat Yeager Recital Hall and 100-seat Black Box Theatre, in addition to three dance studios, modular practice rooms, and scenery and costume shops.

**Global Neighborhood**

This residential neighborhood houses students in all four class years. It’s home to multiple living-learning communities and all five buildings have classrooms. The Great Hall, Argos Tua, faculty/staff offices and the Global Education Center are located in Global Commons.

**Athletic Facilities**

Rhodes Stadium, home of Phoenix football; Rudd Field, home of Phoenix soccer; Latham Park, home of Phoenix baseball; and the Jerry and Jeanne Robertson Track and Field Complex are all located in the southwest section of campus.

**Schar Center**

This 500-seat facility is a venue for campus events and the home of Phoenix basketball and volleyball. It includes a practice facility, hospitality room, club-level seating and high-definition video boards.

**Hunt Softball Park**

The home of Phoenix softball features a natural grass outfield, a synthetic turf infield apron and a high-tech clay infield with optimal drainage, allowing games to be played within minutes of a rainstorm.

**Koury Center**

Campus Recreation is located in Koury Center. Stewart Fitness Center includes a 12,600-square-foot weight room spread over two floors along with a variety of cardio, strength and mobility equipment for all levels of fitness. Beck Pool has six 25-yard lap lanes and six diving blocks. Alumni Gym and Jordan Gym are also located here.

**Historic Neighborhood**

This neighborhood includes Sloan, Virginia, West, Carolina, Smith, Hook, Brunnon and Barney halls as well as Cannon and Kenan pavilions. About 96% of the students who live in this neighborhood are first-year students.

**McEwen Dining Hall**

This newly renovated dining hall features Knead (sandwiches and pastries made-to-order), Home & Away (thoughtful meals, made-to-order pasta, homestyle foods; as well as a variety of vegan and vegetarian options) and Greens & Grains (soup and salad bar).

**McEwen Communications Building**

McEwen houses the School of Communications, which offers degrees in journalism, strategic communications, cinema & television arts, communication design, media analytics and sport management and is accredited by the Accrediting Council on Education in Journalism and Mass Communications (ACEJC).

**Dwight C. Schar Hall**

Schar Hall includes classrooms, faculty offices and expanded space for Live Oak Communications, Elon’s student-run public relations agency.

**Steers Pavilion and Long Building**

Also part of the School of Communications, Steers Pavilion houses the inter nationally recognized Imagineering the Internet Center. Long is home to the Master of Arts in Interactive Media program.

**Historic Campus: Powell, Duke and Mooney buildings**

Mooney houses the School of Education, which is accredited by the National Council for the Accreditation of Teacher Education (NCATE) and CAEP Accreditation eligible, and includes the Teaching Fellows Program, the Master of Education program, the Master of Arts in Higher Education and The Center for Access and Success. Duke houses the depart ment of Computing Sciences and Mathematics, as well as the Robotics Laboratory.

**Lambert Academic Village**

Lambert Academic Village is home of Elon College, the College of Arts and Sciences, with Lindner Hall at the center on the south end. The Numen Lumen Pavilion, Elon’s multi-faith center, and Phi Beta Kappa Plaza are located on the north end of the academic village.

**McMichael Science Center**

McMichael Science Center houses the departments of Biology, Chemistry, Physics, Engineering and Biochemistry. Students have access to exceptional facilities and technology, including Haml Engineering Workshop.

**Richard W. Sankey Hall**

Sankey Center for Creativity, Innovation and Entrepreneurship, the Chandler Family Professional Sales Center, the Design Thinking Center and the Financial Education Center are all located in Sankey Hall.

**Clough Hall**

This dining facility includes a first-floor market and deli and a second-floor restaurant and dining commons.

**Koury Business Center**

This is the home of Elon’s Martha and Spencer Love School of Business, which is accredited by the Association to Advance Collegiate Schools of Business (AACSB). The school offers degrees in accounting, economics, entrepreneurship, finance, international business, economic consulting, management and marketing. In addition, Master of Business Administration, Master of Science in Management and Master of Science in Accounting degrees as well as dual degree programs are offered here.

**Colonnades Neighborhood**

This neighborhood houses students in all four class years and includes multiple living-learning communities. All five residence halls in this neighborhood are committed to sustainable living and core courses are offered here.

**Universal restrooms are located throughout campus.**
