

HOT INTERNSHIPS

September 30, 2016

Hearst Television (Various locations) – Applications for the Fred Young Hearst Television Producing Fellowship are now available. The program aims to recruit a strong upcoming Winter 2016 graduate interested in television news/digital news producing and to nurture that candidate during a 10-week paid fellowship program. Upon successful completion of the Fred Young Hearst Television Producing Fellowship, the candidate will be presented with a job offer for a full-time newscast producing position with a Hearst Television Station. For more information, please contact the Communications Internship Office at cominternships@elon.edu, make an appointment at elon.edu/cominternships or stop by our office in McEwen 101D.

Richard Kornberg & Associates (New York, NY) – Richard Kornberg & Associates is a full-service press office specializing in theater, dance and live event PR. Current clients include The Joyce Theater in New York City, Brooklyn-based theater company Colt Coeur, and The Berkshire Theatre Group. They are currently seeking an intern during Winter Term to assist in the day-to-day activities of the office and will provide interns with opportunities to learn about the vast world of theater, dance and entertainment PR with hands-on and practical experiences. For more information, contact the Communications Internship Office.

Coalmarch Productions (Raleigh, NC) – Coalmarch, a web design and interactive marketing agency in downtown Raleigh is seeking a digital marketing and project management intern for spring 2017. Interns will work closely with inbound marketing, operations, and strategy departments on a variety of projects that will contribute to the final production of materials for their clients. Interns will be **paid** a stipend and will work on various projects, such as creating social media strategies and schedules, writing content for web and marketing clients, conducting market research and analysis, and more. For more information, please view their job posting [here](#).

APCO Worldwide (Raleigh, NC) – APCO client service interns play a key role on APCO Worldwide's client service teams. They focus on APCO's diverse client service groups while contributing to a broad range of project work, offering each intern a wide variety of experiences working with client service groups in corporate communication, telecommunications, nonprofit, and government relation fields. Duties include assisting in the development of client proposals, conducting research, assisting with online community management, and more. For more information, please view their [website](#).

American Hockey League (Charlotte, NC) – The American Hockey League (AHL) is the top professional hockey league in North America outside the National Hockey League (NHL). It serves as a development league for the NHL, and all of its 30 active teams have affiliation agreements with NHL clubs. They are

currently seeking fall interns in various departments, including video production and graphics, corporate partnerships, and game operations. For more information, please visit their internships page [here](#).

North Carolina Sustainable Energy Association (Raleigh, NC) – The NCSEA is looking to hire a graphic design intern to assist with website and design needs of the organization. The candidate will develop and maintain website and web based projects through graphics, designs, and copy layouts; create, design and document the process to implement projects; and communicate with vendors. The position will also assist in day-to-day creative strategy and tactical execution as needed to support the goals of NCSEA’s market intelligence, legislative and regulatory/policy teams. To apply, send resume, availability, and portfolio to Samantha@energync.org. For more information, click [here](#).

Brandsymbol (Charlotte, NC) - Brandsymbol's Production Department is looking to bring on a market research intern to assist with the creation of research presentations, client deliverables, and raw data files. The Research Intern will also participate in survey design, programming, and analysis. For more information, view their career page [here](#), or send cover letter and resume to careers@brandsymbol.com.

Tanger Outlets (Greensboro, NC) – The well-known outlet store chain just 25 minutes east in Mebane is searching for a full-time, summer 2017 talent and branding intern to work at their corporate headquarters in Greensboro, NC. The intern will assist with projects, including optimizing Tanger’s strategic online presence, building sample content for review and maintaining brand standards, and researching, exploring, and expanding communication channels to broaden exposure. For more information on the position and how to apply, please visit Tanger Outlets’ career page [here](#).

Other news...

Pace Communications (Greensboro, NC) – Live Oak Communications will host a panel with Pace Communications on Thursday, Oct. 6th from 4:00-5:30 p.m. in McEwen 103. The panel, comprised of strategy, creative, and client service leaders, Pace Communications President Craig Waller, and Elon alumnae Lauren Brady '16, will discuss **spring internship opportunities** at Pace, as well as information about how agency teams work together. Please join us and your peers for this amazing opportunity!

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
