

HOT INTERNSHIPS

October 7, 2016

Emma Bowen Foundation (various locations) – The Emma Bowen foundation is a nonprofit organization that is building a more diverse media and tech industry by recruiting promising students of color and placing them in multi-year, **paid** internships at some of the nation’s leading companies. Students chosen for these summer fellowships get on-the-job training from top professionals, attend an annual Summer Conference in New York City, and can apply for special need-based scholarships for school expenses. You are guaranteed a first-round interview if you apply by Nov. 6th. For more information, [please contact Mrs. Tonkins.](#)

USA Baseball (Durham, NC) - For more than 15 years, USA Baseball has provided internship opportunities for current college students and recent college graduates from across the country. Internship start dates vary from January to May to accommodate both students in school through May and recent graduates. Each intern, in departments such as media relations, operations, and program development, works closely with a full-time staff member to further their skills necessary to work both in sports and for a nonprofit organization. For more information, [please contact Mrs. Tonkins.](#)

MaxPoint (Morrisville and Raleigh, NC) – MaxPoint, a digital advertising company based in Morrisville, NC, works with clients across multiple industries to optimize brand and retail performance, and helps to link them to the digital world. They are still hiring for a fall account management intern, and are already searching for their spring 2017 account management and interactive design interns. For more information, visit their [jobs page.](#)

Bayer (Research Triangle Park, NC) - Bayer is a global enterprise with core competencies in the Life Science fields of healthcare and agriculture, and they are hiring for a corporate communications intern! Responsibilities include internal event management and communications, assisting with internal and external communications related to growth and investments at the RTP site, and participating in and contributing to PR initiatives aiming to promote Bayer in the RTP/Raleigh/Durham area. For more information about the position and how to apply, [click here.](#)

Phase 3 Marketing & Communications (various locations) – Phase 3 is a leading provider of marketing services and solutions to corporations throughout the United States, with big-name clients such as HP, Simmons, McDonald’s, Kroger, and many more. Internships are available for both fall and spring in public relations, graphic design, marketing, and digital, in cities such as Charlotte, Nashville, and Atlanta. For more information, please visit their [careers page.](#)

Viacom (various locations) – Viacom is home to the world’s largest premier entertainment brands, including MTV, Nickelodeon, Comedy Central, and also to America’s oldest film studio, Paramount Pictures, and they are searching for spring interns based in cities across the country, including

Nashville, New York, and Los Angeles. Interns can apply to work in departments such as production, design, advertising, and more. For more details on these departments and others, [click here](#).

Discovery Communications (various locations) – Discovery Communications, a leader in high-definition programming with brands such as Discovery Channel, TLC, Animal Planet, and so many more, is hiring spring 2017 Interns. Internship departments include communications and PR, digital media, production, and more, in New York, Los Angeles, and Silver Spring, MD. The 12-week, **paid** internship offers production Interns the chance to form mentorships with Discovery employees, work on real project experiences, and participate in the Intern Speaker Series with executives and employees across the business. For more information and application instructions, [click here](#).

Turner, Time Warner (Los Angeles, CA) – Turner, a division of global media and entertainment leader Time Warner, is searching for a spring 2017 public relations intern for Cartoon Network and Adult Swim. The intern will receive mentoring from those in the department, and will assist the Cartoon Network and Adult Swim West Coast public relations team with daily tasks such as updating media lists, drafting press materials, and organizing press clippings. For more information about this position, [click here](#).

ESPN (Los Angeles, CA) – ESPN, a worldwide leader in sports news, is hiring for a spring 2017 production intern based in Los Angeles. The Production Department produces content for ESPN's family of networks, such as SportsCenter Los Angeles, for fans to watch on TV, their computers, tablets or phone. Responsibilities will include operating the studio teleprompter system, researching, writing and disseminating ideas for future content element on SportsCenter LA, and screening games, selecting shots and creating shot sheets for assigned highlights. For more information about this position and to apply, [click here](#).

National Security Agency (NSA) (Fort Meade, MD) – Interested in government work? The National Security Agency has opened their Summer Strategic Communications Intern Program for students interested in the corporate communications, multimedia production, or creative imaging departments. The deadline to apply is October 31st, 2016. For more information about the position, [click here](#).

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
