

HOT INTERNSHIPS

January 31, 2017

Historic Bethlehem Museums & Sites (Bethlehem, PA) – Historic Bethlehem Museums & Sites is a nonprofit organization providing various services to visitors of the town and its popular tourist destinations, including 20 historic buildings and sites. Historic Bethlehem has various internship positions available in graphic design, event coordination, and marketing & social media. To learn more about these positions and apply, please visit their [online internships page](#).

Democracy Fund (Washington, DC) – The Democracy Fund is a bipartisan foundation that is hosting Summer 2017 internships with their Public Square Program, which focuses on vibrant media and citizen engagement. Primary responsibilities for interns include researching issues in key policy, evaluating grantmaking opportunities, creating materials for internal use, providing logistical support, and more. For more information about this internship and to apply, visit their [internship posting here](#).

Los Angeles Times (Los Angeles, CA) - The L.A. times is hosting two summer internships in design and in data. The design intern will work alongside newspaper designers to work in multiple editorial areas, including News, Features, and Business. The data intern will work with the Data Desk team of reporters and computer programmers to collect, organize, analyze and present large amounts of information. For more information about these positions, [click here](#).

Hulu (Santa Monica, CA) – Hulu, the popular, online streaming service, is seeking to add a video production intern to work with their marketing team. Responsibilities include project preparation, media management, file delivery, editing, and more. Interns will also clip TV and film content for promotional material, assist during live action production, and more. For a complete listing about the internship, visit Hulu's online [internship listing](#).

Bank of the West (San Francisco, CA) – Bank of the West is offering a 10-week summer internship in corporate communications at their San Francisco office. Interns will be able to write, assist with content development, support project management, and participate in cross-departmental collaboration while completing projects in social media, internal communications, public relations, and more. For more information about this program, [click here](#).

WZTV/FOX 17 (Nashville, TN) – The Sinclair Broadcast Group, alongside Sinclair Digital Solutions, is the largest television broadcasting company in the country. WZTV/FOX 17 is looking for news department interns to join their team during the Summer 2017 semester. For more information about this internship, [click here](#). Mindshare (various locations) – Mindshare is a global media agency network with ten-week, media planning and data bytes internships in Illinois, California, Chicago, and New York for Summer 2017. The media planning intern will work with several teams to assist in the development, implementation and evaluation of paid media campaigns. The data bytes intern will work with teams with a focus on data and

analytics, such as consumer insights, modeling, data technology, and more. For more information and to apply, [click here](#).

Kidzone TV (New York City, NY) - Kidzone TV is an interactive broadcast studio at the Kravis Children's Hospital at Mount Sinai in NYC that produces and airs daily live content for hospital patients and their families. The 2017 Summer KZTV internship will give interns the opportunity to learn and perform daily elements of live production, create their own 30-minute program, assist with in-house promotion, and more. To apply, send a resume, and two professional/academic letters of recommendation to Mathea Jacobs, KZTV Manager at mathea.jacobs@mountsinai.org by April 1st.

Highwire Public Relations (New York, NY) - Highwire PR is a leading technology public relations agency with offices across the country. A New York-based, six-month internship is available for PR students, completing duties such as compiling media coverage, conducting research about reporters, blogs, social media, and trends, drafting press materials, and more. To learn more about this internship, [click here](#).

Facebook & Instagram (various locations) - Facebook and Instagram content strategy teams have a content fellowship from June 7-9 in Minneapolis, MN and a content internship at Facebook HQ in Menlo Park, CA for the summer. The fellow will participate in a conference and workshop, and network with Facebook content strategists. The intern will use content strategy to work alongside leading content practitioners. For more information about these opportunities, visit contentstrategyfellowship.com.

Erwin Penland (Greenville, SC and New York City, NY) - Erwin Penland is an advertising agency in South Carolina and New York that specializes in advertising, strategy & planning, production social & content, and more. Their summer internship is primed for Elon students interested in pursuing a career in strategic communications, public relations, and advertising fields. For more information and to apply, visit their online [internship program page](#).

Additional news...

Cornelius Muller Productions - Cornelius Miller, an Elon University alumnus and community mainstay in Burlington, NC, is searching for a student to help edit a script for a television series. For more information, call Cornelius at 336-214-0109.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
