

HOT INTERNSHIPS

May 1, 2017

Please make sure you attend the FINAL REQUIRED pre-internship seminars May 5, if this is your **first COM academic internship**. You can go to <http://www.elon.edu/cominternships> to register for them. **YOU DO NOT NEED A SECURED INTERNSHIP TO ATTEND.**

Charlotte Parent (Charlotte, NC) – The Charlotte Parent is a monthly magazine focused on the latest news for parents and parents-to-be, including health and education resources for kids and teens, and more. The organization is seeking a summer intern to work on digital content production, fact checking, copy editing, and other editorial tasks. The internship is **paid**. To learn more information about the position and how to apply, email Michele Huggins and mhuggins@charlotteparent.com.

Duke University School of Medicine (Durham, NC) – The Department of Community and Family Medicine at the Duke School of Medicine is seeking a communications intern for the summer. The intern will conduct interviews and write news and feature stories for department newsletters, websites, and publications. To apply, please send a cover letter, resume, and writing samples to Andrea Martin, director of communications for the Department of Community and Family Medicine at andrea.s.martin@duke.edu.

NBC Universal (various locations) – The NBC-Owned Stations & Affiliates Fall 2017 Internship program is already accepting applications for its internships across a range of departments, including studio or field production, programming, public relations/communications, editorial, and more. Interested applicants should apply by **June 2, 2017**. Internship locations may also include New York, Los Angeles, San Francisco, Philadelphia, and more. For more details about the internship program, visit the [company's program listing](#).

Mashable (New York, NY) – Mashable, the global, multi-platform media and entertainment company, is seeking an audience development intern to join their team for the summer. The intern should have an understanding of analytics and social media in order to analyze data from marketing tools and social media platforms, as well as develop strategy and predict industry trends. For more details about the internship position, [click here](#). To explore more internships with Mashable, [click here](#).

Fender (Hollywood, CA) – Fender, the iconic manufacturer of guitars, amplifiers, and other musical instruments, has an immediate opening for a summer digital & social media intern. The intern will work with several teams in social media post development and channel management, compiling data for weekly social media reports, developing and delivering an intern project, and more. For more details about this position and to apply, visit [Fender's internship listing](#).

Whalerock Industries (West Hollywood, CA) – Whalerock Industries is an independent media/technology company, whose partners include Sirius XM, MTV, Warner Bros., and more. The

company's digital video internship is **paid** and runs from June through August. During this time, the intern will assist in duties such as studio and field video shoots, learn about the post-production process, contribute to video content development. To learn more, visit [Whalerock Industries' website](#).

El Rey Network (Santa Monica, CA) – El Rey is an English language American TV channel targeting Latino audiences in its content production, and is owned by Univision Communications and Cox Communications. El Rey is hosting a summer internship from early June to mid-August, where the intern will work directly to assist production and post-production efforts with the director of Digital Programming and supervising producer. For more details and to apply, [click here](#).

PolyVision (Atlanta, Georgia) – PolyVision, a Steelcase brand, is seeking an intern to join its Brand Communications team for the summer. The intern will work on projects across the summer that involve supporting brand and story development through advertising, PR, and social media, writing, editing, and distributing content, helping to plan and execute events, among other duties. To learn more about the company and the position, visit PolyVision's [online internship listing](#).

Dandelion Chocolate (San Francisco, CA) – Dandelion Chocolate, a bean-to-bar chocolate factory based in San Francisco's Mission District, is a growing company searching for an intern to join their Public Relations Department. The intern will complete various research and media projects based off of an ongoing project list and working closely with the director of the PR department. The internship is **paid** and will run for 3 months. For more information about the position, [click here](#).

Ironwood Pharmaceuticals (Boston, MA) – Ironwood Pharmaceuticals is a drug manufacturer based in Cambridge, located just 20 minutes outside of the city. The company is searching for a corporate communications intern to work from June to August 2017. The intern will work with the corporate PR team in developing content for social media, writing and editing articles for the company's website, working as a corporate photographer, and more. To learn more and apply, [click here](#).

American Enterprise Institute (Washington, DC) – AEI is a nonpartisan, nonprofit, public policy think tank that conducts research on the world economy, U.S. foreign policy and security, and more. They are hosting an internship in graphic design that will allow students to work with AEI's graphic design team. The intern will create infographics and creative visuals to communicate the ideas of AEI's scholars and policy experts. To apply for this position, visit their [online internship listing](#).

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
