October, 2017

**APCO Worldwide (Raleigh, NC)** – APCO Worldwide is a global public affairs and strategic communications consultancy, recognized as the second largest independently owned PR firm in the U.S. APCO is seeking to hire a Design Intern for this coming spring semester who will assist with multimedia creative projects, support general production, and research and analyze non-design projects as well. Ideal candidates should be creative and should be comfortable working in a fast-paced environment. Applications for the spring are due by November 3rd and are considered on a rolling basis. Apply [here](#).

**Entercom Greensboro (Greensboro, NC)** – Entercom is one of the fastest growing radio companies in the country, reaching millions of fans a day. The company deeply invests in local talent, news, sports, events, communities and people. Entercom is looking for interns who are interested in gaining hands-on experience in the radio broadcasting industry. Internships are available year-round and students must be able to receive college credit. Click [here](#) for more information.

**FOX (Los Angeles, CA)** – FOX is considered to be one of the biggest media and entertainment companies in the world. They are currently looking for a Research and Analytics Intern to work in their LA office. R & A interns will have the opportunity to network with other FOX professionals, gain hands-on experience in the entertainment industry, and participate in real-world projects. Students will gain a solid understanding of piracy issues and how they affect FOX, the industry, consumers, and the legal/business landscape. Head [here](#) in order to apply!

**The European Parliament Liaison Office (Washington, D.C.)** – The EPLO works to strengthen cooperation between legislators in the U.S. and the European Union and provide information to the public in the United States. The EPLO’s internship program is now accepting applications for the Winter, but also offers internships in the Spring, Summer, and Fall! The 3-month internship program allows students to work with other staff members on specific policy areas/issues, participate in events and meetings with major executive agencies, analyze legislation and policy discussions, and prepare memos and research papers for staff members. This opportunity is paid! Click [here](#) for more information.

**Girls’ Life Magazine (Baltimore, MD)** – Girls’ Life Magazine is a print publication dedicated to informing, inspiring, and entertaining girls around the world. The magazine was founded in 1994 and since then, has delivered tons of interesting content through several different platforms. GL is currently hiring editorial, marketing, and PR interns for the Winter, Spring, and Fall semesters. To apply, send a cover letter, a resume, and some writing samples to sydney@girlslife.com.
Merkle (Charlottesville, VA and Pittsburgh, PA) – Merkle is a leading data-driven, technology-enabled, global performance marketing agency that specializes in the delivery of customer experiences across platforms and devices. Merkle is looking to add to their Media Analytics team in both offices. Analysts will be responsible for providing data management, managing day to day core insights/trends, and engaging with clients to alter program execution. For more information, click here!

Ogilvy (Chicago, IL) – Ogilvy & Mather, one of the largest marketing communications companies in the world, is looking to hire a Chicago based intern within their PR department. Interns will be responsible for writing press materials, researching topics to inform PR efforts, managing media relations, creating media lists pitching media, and monitoring media coverage for clients. Applicants must have excellent writing skills and ability to work effectively in a team setting. In order to apply, head to Ogilvy’s website.

Dow Jones (Princeton, NJ) – Dow Jones is a global provider of news and business information, delivering content to consumers and organizations globally. The company is one of the world’s largest newsgathering operations in the entire world. The company is looking for a Data Strategy Intern for the Summer of 2018 who will be responsible for researching customized reports and newsletters, testing Dow Jones data, and building and enhancing content. Applicants must have solid research skills and a passion for news and information. A resume, cover letter, and short essay must be included in the application. Head to the company’s website to apply!

Additional News...

Homecoming is quickly approaching and there are many fun and exciting events for students, faculty, and alumni to attend all weekend! Mark your calendars and don’t miss out on this year’s ‘Elon 2.0: Success After Elon’ alumni panel. It will be held in Williams Studio in McEwen on Friday, November 3rd at 2 PM. We have alumni from a wide variety of organizations and companies coming to share their experiences and advice! You don’t want to miss it.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
