

HOT INTERNSHIPS

November 15, 2017

Alamance Arts (Graham, NC) – Alamance Arts is an arts council that is committed to shaping the cultural identity of Alamance County by making art a tangible presence in the lives of its citizens. They are currently looking for a Spring Communications Intern who can assist in various print and social media campaigns. This internship is for academic credit and requires someone who is creative with great writing skills. Contact Karen Carrouth at kcarrouth@artsalamance.com if interested.

Deep South Entertainment (Raleigh, NC) – Deep South is an entertainment organization that specializes in artist management, talent booking, event planning, production planning, venue management, and financial management! The company is currently looking for driven and passionate Spring interns. Interns will be assigned to a full-time employee based on assets and interests to gain an inside look at their side of the company. If interested, send a cover letter and resume to mikayla@deepsouthentertainment.com

American Dance Festival (Durham, NC, PAID) – The American Dance Festival is an international dance festival that attracts students, faculty, performers and choreographers from around the world. ADF provides internships for students who are interested in gaining hands-on experience in a fast paced international arts environment. ADF is currently looking for a Video Production Intern for the Summer of 2018 who will work backstage with ADF and Duke University technical crews and production staff. This internship is paid and takes place from June 8th - August 2nd. If you have questions, contact adf@americandancefestival.org.

AARP (Washington, DC) – AARP is a nonprofit social welfare organization with nearly 38 million members. AARP is currently looking for a Studio Intern responsible for assisting producers, researching story ideas, monitoring social media platforms, aiding in analytics reporting, and building creative video content. Applicants should have a minimum GPA of 3.0 and should be a rising junior or senior. For more information, click [here](#)!

SheSpeaks (New York, NY) – SheSpeaks is an influencer marketing platform that works with leading brands such as American Express, P&G, and L’Oreal. They are currently looking for a Social Media Intern who will focus on assisting the social media team in developing and executing member communications, and analyzing program results for client reports, researching competitor trends. Applicants must have a strong writing ability and knowledge in social media engagement tactics. Click [here](#) to apply.

N26 (New York, NY) – N26 is recognized as a game changer in the banking industry and has redesigned banking for the smartphone. The company has more than 300 employees and more than 500,000 customers in 17 countries. The company is looking for a Social Media Intern who will be

responsible for supporting social media teams in planning and reporting on campaigns, working with stakeholders from different departments to communicate products and messages, and writing compelling copy for social media channels. Apply [here](#).

ICR (New York, NY or Norwalk, CT) – ICR is one of the top ranked strategic communications and advisory firms on the strength of experience and relationships. The company is currently accepting applications for their summer internship program, specifically focusing on investor relations and corporate communications. Daily responsibilities include creating media reports, building media lists, developing pitch ideas, researching companies and media outlets, drafting press releases and daily client communication. The program also involves several “field trips” to other professional organizations and lunch ‘n’ learns with department leaders. Head to ICR’s [website](#) for more information.

Bloomberg (Various Locations) - Bloomberg News provides the most influential coverage of money in all of its forms. Bloomberg News reports on the issues that matter to financial and business. News interns will gain hands on experience reporting for one of the world's leading financial news services. Interns will be responsible for pitching and writing enterprise stories, conducting exclusive interviews, and collaborating with other media platforms. Applicants must have prior experience in journalism and should be knowledgeable about global financial markets, companies, and economies. Click [here](#) for more information.

Tribune Media Company (Chicago, IL) - Tribune Media is home to a diverse portfolio of television and digital properties driven by news, entertainment, and sports programming. Tribune is looking for an intern who is interested in gaining an understanding of how a daily newscast is brought to air. Duties include editing videos for broadcast, researching stories, monitoring social media posts, and field producing. To apply, head to Tribune's [website](#).

Additional News...

The American Press Institute is offering a **paid summer fellowship** program for students who have a strong desire to advance innovation in news organizations! Applicants should outline a proposed fellowship project that they’d like to complete during the 12-week program. The API is encouraging students to propose projects within audience behavior and data science, diversity and empathy, and state and local accountability reporting. Students will also receive an enormous amount of experience in media innovation through involvement in API programs. For more information, click [here](#).

Applicants need to submit a resume, an online application, and an essay answer. Applications are accepted online at www.starcomww.com from October 20th – **November 30th**! Click [here](#) for more information.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
