The company is looking for unpaid spring interns, and has availability for production or Com Design students. Interested? Email alan@allpromedia.com.

VF Corporation (Greensboro, NC) – VF Corporation is a global leader in branded lifestyle apparel, footwear and accessories. Their internship will give you hands-on experience working across a variety of communications functions, including internal communications, public relations, digital communications/social media, crisis communications and media relations. Interested? Learn more and apply [here](#).

Prophet (San Francisco, Richmond, Va.) is looking for highly motivated Graphic Design intern to work closely with design directors and senior designers on a variety of projects. The internship will run for a period of 10 weeks starting June 12th. [Apply here](#).

Business Insider (New York, NY) - BI Intelligence, Business Insider's research service, is seeking a talented and ambitious Digital Design Intern to join the fast-growing Subscription Marketing team. The ideal candidate is a designer who is passionate about creating visually engaging designs and developing intuitive user experiences. Creating graphics and banners will be general everyday work. Must be proficient in Adobe products and have a passion for graphic design. Apply [here](#) and don't forget to include a sample of your portfolio!

LabCorp (Burlington, NC) - LabCorp's Corporate Communications Department has the express purpose of enhancing LabCorp's brand, protecting its reputation and developing and executing communications strategies that help advance enterprise and business priorities. An internship resource is needed at the enterprise level to help deliver on current responsibilities and expectations. If interested, [email](#) Pattie Kushner your resume.

The Quintessential Gentleman (Brooklyn, NY) - The Quintessential Gentleman is a Men's Lifestyle and Entertainment Digital Publication based in New York. Currently, the company is searching for a summer intern who can assist with daily tasks including: assisting with editorial projects; providing support to the communications editor; proofreading, both hard and electronic files; basic copyediting; and writing of proposals and reports. Apply through their LinkedIn [application](#).

NASA (Greenbelt, MD) - NASA invites students working towards degrees in journalism, communications, media relations, science writing, immersive journalism, or broadcast journalism, to participate in our science storytelling program. You'll gain on-the-job experience as you work with a leading team of writers and multimedia producers to create and share content from some of NASA's most exciting science missions. Check out the [LinkedIn](#) application to read the details.

U.S. Travel Association (Washington, D.C.) - High-profile Washington, D.C. trade association seeks a personable, creative and highly motivated intern to assist in a fast-paced communications shop. Responsibilities include: tracking, formatting and summarizing media coverage; researching and

assisting with building and maintaining media lists; and helping plan, research and draft copy for media and industry communications. To apply please submit your cover letter, resume, and reference list to wgunundersen@ustravel.org with "Communications Intern" listed in the subject line.

Inside Edition (New York, NY) - InsideEdition.com is seeking an ambitious, self-sufficient student who is interested in learning about working in digital news. The company is looking for someone who is passionate about human interest stories and who can identify trending and breaking news. S/he will find news online before any other media has covered it. The intern would assist with day-to-day production and post-production needs across our editorial and video teams. Apply [here](#).

The Aspen Institute (Washington, D.C., PAID) - The Aspen Institute is an educational and policy studies organization based in Washington, D.C. Its mission is to foster leadership based on enduring values and to provide a nonpartisan venue for dealing with critical issues. They are currently seeking a paid intern for the summer. The intern will help maintain various digital properties, and organize and maintain media assets. If you think this sounds like you, click [here](#) to submit a cover letter, writing sample, and resume for the position.

Sunham Home Fashions (New York, NY) - Sunham Home Fashions is seeking a hands-on intern to join our Visual Communication Design team. You will have the opportunity to aid projects that include (and are not limited to) packaging, social media campaigns, and showroom prep and design. As an intern, you will work alongside your team on a variety of projects that will be impactful to the business. You'll get to experience and help out with setup for one of our signature events: Market Week. To apply, send your resume with desired salary to recruiter@sunham.com.

In other news:

Alfred J. Seaman Award – This award is being given out for the best undergraduate paper. Paper can be written on the following subjects: Advertising and Society or Marketing Insights and Innovation. A panel of AEF board members, consisting of professors and advertising/marketing professionals will select the winners of the competition. The 2018 awards, including a \$1,000 cash prize for students, will be presented at the AEF annual Honors Night Dinner on Monday, June 11, 2018. If you would like to enter, contact [Hal Vincent](#) as he can be your mentor and help throughout the process. Read more on their website [here](#).

DCInternships Leadership Scholar Program - Through its Leadership Scholarship Program, The Fund for American Studies is pleased to provide at least 25 full scholarships to aid students in participating in summer institutes focusing in Journalism + Communication. TFAS does this through programs that include an internship placement, academic coursework at GMU, as well as professional development and networking events. The \$8,695 scholarship will cover tuition and housing costs for the summer institute and more. Visit [this page](#) to learn more and how to apply!

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
