Additional News…

Register your summer or fall internship now. You MUST complete the online registration form at the Elon Job Network PRIOR to meeting with Professor Tonkins.

Please include 3 learning goals on your registration form. Write three (3) LEARNING GOALS for your registration. READ: Setting Goals. Think about & include on form: What new knowledge, skills and attitudes / behaviors do you hope to acquire from your internship experiences? Think about your duties and tasks, which will help you to accomplish these goals.”

Then, call Professor Tonkins and she will register you over the phone, if you’re no longer on campus.

The School of Communications strives to provide accurate information to students from legitimate employers. Because of the volume of internship postings received by our office, we cannot screen every listing. We do not endorse the products or recommend the services of any of the employers listing internships through our office. We are not responsible for the safety, wages, working conditions or other employment aspects of any internship listed here. Students are urged to use common sense, caution, and practice due diligence in researching employers before applying for any internship positions within a business or organization.
