COM SENIOR YEAR JOB SEARCH TIMELINE

**JUNE & JULY**

Take advantage of the opportunity to network with the professionals at your summer internship.

Summer is a great time to do informational interviews. Use LinkedIn.com/alumni to find alumni to connect with. Ask for information and advice.

**AUGUST**

Like the Elon COM Career Advisor Facebook page for daily job and internship updates.

Upload a PDF resume on the Elon Job Network (EJN) and set up email alerts to have opportunities sent to you.

**SEPTEMBER**

Attend the Job and Internship Expo on September 18 to learn about career opportunities and to network. Do your research ahead of time to be prepared!

Reference the post-graduate internship and fellowship opening list. These are great ways to get your foot in the door at a company.

Begin thinking about the city/cities you would be interested in moving to after graduation and the companies you’d like to work for. Create a list.
**OCTOBER & NOVEMBER**

- Look out for our Career Trek to visit local companies and network with professionals!
- Consider a J Term shadowing experience/internship.

**DECEMBER & JANUARY**

- Update your EJN email alerts.
- Review and update your list of cities and companies.
- Update your resume with fall and winter involvement.

**FEBRUARY**

- Attend the COM ePortfolio Review & Internship Showcase on February 12.

**MARCH**

- Sign-up for the Career Trek to visit local companies (Details TBD).
- Utilize spring break for informational interviews. Use www.linkedin.com/alumni to find contacts.

- Prepare for the Job and Internship Expo by researching the companies who are attending.
- Attend the Job and Internship Expo (Details TBD) to learn about career opportunities and to network.

**Check out the Graduate & Professional School Fair in October and the Social Impact Career Fair in November**

- Attend the COM Presentation *Life After Elon: Los Angeles*, Details TBD
Meet with COM Career Advisor, Amber McCraw, to discuss post-graduate ideas and get help with your resume, cover letter, interviewing, etc.

Attend COM Presentation: Life After Graduation: New York City.

Attend COM Programming
Create multiple email job alerts on LinkedIn and www.indeed.com.

Begin applying for full-time jobs.

If you are still searching for a job, contact the Student Professional Development Center for assistance, (336) 278-6538.

Complete the First Destination Survey and inform your professors where you are working.
